With the exhibition beginning in 2013, PPAAE has continued to grow year on year and showcases an abundance of local artworks. The 2024 exhibition is set to be the biggest yet, with over 150 artworks on display and for sale at the Leeton Museum and Art Gallery. This year's PPAAE exhibition is set to run for six weeks, which will be the longest running exhibition to date.

Held in memory of local artist and founder of the Leeton Art Society Inc, Penny Paniz, the continued growth of the exhibition is a true testament to the hard work and talent of the arts culture in Leeton. With just shy of 50 artists exhibiting artworks this year, and continuing to attract interstate visitors and locals, this exhibition is sure to impress.
